Dear Parent or Guardian,

We are writing to inform you about a student survey that will be administered at St. Joseph-Ogden High School called the Illinois 5Essentials Survey. This is the seventh year the Illinois State Board of Education will implement this survey across the state. This survey is based on 20 years of research at the University of Chicago. It asks students about their experiences in school, giving school leaders critical student input to help develop school improvement plans.

Students will partake in the survey during an advisory period during the week of January 22, 2019. Students' identities will be completely confidential. Teachers or administrators will never see individual responses to survey questions and will only receive aggregated information, such as the total percentage of students who agree homework assignments help them learn the course material.

Please be aware that under the Protection of Pupil Rights Act, 20 U.S.C. Section 1232(c) (1) (A), you have the right to review a copy of the questions asked of your student(s). Survey questions can be found on the Illinois 5Essentials [website](https://www.5-essentials.org/illinois/5e/2018/) (https://www.5-essentials.org/illinois/5e/2018/).

If you do not want your son or daughter to participate, fill out the information below and ask your child to return this sheet to the office by January 18, 2019.

Thank you for your cooperation,

Gary Page III
