Hearing held for the purpose of public discussion of the 2017 revenue year tax levy payable in 2018.

Mr. Brooks discussed the considerations that were taken into account when preparing the tax levy. The total levy amount represents an increase over the 2016 extension of approximately 5.41%. Projected is a 5.10% increase in corporate and special purposes taxes and 6.74% increase in debt service taxes.

The actual final tax rate is estimated to be approximately \$2.002 per hundred dollars of assessed value. We currently are at about \$1.99 per hundred so this would be an increase of approximately .012.
