**3. PUBLIC HEARING**

Hearing held for the purpose of public discussion of the 2018 revenue year tax levy payable in 2019.

Ms. McLain arrived at 5:54 p.m.

Abatement would not affect levy

Mr. Brooks discussed the considerations that were taken into account when preparing the tax levy. The total levy amount represents an increase over the 2017 extension of approximately 4.75%. Projected is a 5.14% increase in corporate and special purposes taxes and 3.17% increase in debt service taxes.

The actual final tax rate is estimated to be approximately \$1.9947 per hundred dollars of assessed value. We currently are at about \$2.00 per hundred so this would be about a penny less than the current rate.

No public comments given.
